Reveal and retrieve those missing and deleted Files that you thought were lost forever!

Data Recovery scans quickly and deeply to revive deleted files

Key Product Benefits

- Recovers a wide variety of file types, including recycled, encrypted and compressed
- It has the ability to retrieve missing files from many peripheral storage devices and MP3 players, including iPod Shuffle, iPod Nano, and iPod Classic
- Saves recovered files to a selected destination
- Features a small footprint so it doesn't take up much space but packs the power to scan quickly and recover your important files

Scans deeply for your deleted files. Search for even keyword or phrases

Have you ever deleted files and then needed them back?

It can happen. One wrong click with the mouse and files are seemingly gone forever. Too many versions of a file can also result in something important being accidentally deleted.

With ParetoLogic Data Recovery, you do not have to worry. This powerful Software will scan to find files you thought were lost! ParetoLogic Data Recovery Pro brings these files back to life.

ParetoLogic Data Recovery can recover many different types of files. An enhanced and refined filter technology lets you scan for specific text, and recover the document you need. You can then preview each item to be sure, and then safely restore the vital information.

This is a valuable tool that can save you countless hours of work. Can you afford not to have ParetoLogic Data Recovery on your computer?

"All I can say is that recovery S/W saved over 2,000 pictures and files from being lost forever.....OUTSTANDING!!!!!!!!!!!!!!!!!!!!!!"
